Please place Aetna Casualty & Surety Company on your list for receiving status reports for these sites, if possible.

**If it would be more economical for us to arrange to review the requested records, please contact me to make those arrangements. We understand that if the above records are copied and forwarded to us that there may be a search and copy fee. We will be happy to reimburse you for those reasonable costs.**

In the event that any of the requested documents or portions thereof are to be withheld from disclosure to us, please provide us with specific exemption information for which withholding is claimed and a brief justification for such withholding.
